Candidate Biographies

Dr. M. O. Andi Andreae

I first lived in La Jolla Shores in the 1970s while working on my Ph.D. studies at Scripps Institution of Oceanography. After living and working in Florida and Germany for some 35 years, my wife and I moved back to the Shores in 2015, where we now live permanently on Camino del Oro. I presently work as a researcher at Scripps, mostly on topics dealing with the atmospheric and marine environment. After attending the La Jolla Shores Association meetings fairly regularly over the last few years, I decided it was time to get more active in its work, and to run for a position on its board of directors.

I am committed to maintaining and improving the quality of life of the residents of our community and the visitors to our wonderful place. Beautiful beaches and parks and clean air, as well as safe roads, are essential to our well-being and we need to ensure that they are preserved and improved, where needed. As part of this effort, I would be happy to represent LISA on the Parks and Recreation Board.

Pam Boynton

Boynton, a retired teacher and 44 year Shores resident, served on the USA board in the mid 70's and again 2012-2016. She realizes the importance of a governing body to help oversee and fight for the preservation of this special area of San Diego.

Janie Emerson

I love La Jolla Shores. My family and I have lived in the area since 1961. The Shores is our special place. I am a former member of La Jolla Shores Association and am currently serving as a trustee for La Jolla Community Planning Association *and* the La Jolla Shores Permit Review Committee. These experiences give me a unique view of the many exciting possibilities for our Shores Community. I believe the Shores can embrace the new and retain its special spirit. I would like to help guide these changes to enhance our La Jolla Shores. I ask you for your vote to elect me to the La Jolla Shores Association.

Sharon Luscomb

I have previously served on the La Jolla Shores Association Board from 2006-2011 and again in 2012-2014. I am not only a native La Jollan, but I grew up in La Jolla, attended local schools and college in La Jolla and my husband and I have owned and operated La Jolla Kayak in La Jolla Shores for 23 years now. I am currently a member of the La Jolla Shores Merchants Association, Las Patronas and a parent volunteer at the Gillispie School. I love our community not only as a resident in La Jolla but also as a business owner in La Jolla Shores. I am committed to helping our residents and businesses work well together in a busy area and to continue to preserve the beauty of the beaches, residential and business areas and the neighboring parks.

Ross Rudolph MD

Having lived in La Jolla for 43 years, 30 of them in La Jolla Shores, I want to be able to contribute to the process of maintaining the community spirit and facilities of the Shores. I surf at the Shores beach several times a week and so I'm very aware of what happens there. My wife Nancy and I are longtime members of the La Jolla Shores Surfing Association, and I was asked by that group to be active in the La Jolla Shores Association.

Nancy and I are members of the Birch Aquarium and the UCSD Faculty Club. All 4 of our children went through school in La Jolla. I am on the Clinical Faculty of the UCSD School of Medicine, having started in 1975 at UCSD and the La Jolla Veterans Administration Hospital. I practiced plastic surgery at Scripps clinic in La Jolla for over 30 years. Recently retired, I now have time to serve the community.

Recently I was appointed to the La Jolla Traffic and Transportation Board as a representative of the La Jolla Shores Association, and I hope to be able to serve on the Board of the La Jolla Shores Association.

Coco Tihanyi

Coco Tihanyi would like to serve on the LISA board as a business owner and local of La Jolla. Coco grew up attending Torrey Pines Elementary School, Muirlands, La Jolla High and UCSD, with a degree in Communication. Coco has previously served on the LISA board and has owned a business on Avenida de la Playa for the last 20 years. "I'm concerned about safety in La Jolla Shores, construction issues, and conservation."
